

# GLOBAL CONNECTIONS

Connecting Regions. Creating Opportunities.

## ABOUT US

### Global Connections partners with Chambers of Commerce to turn global opportunity into local success.

Global Connections helps chambers deliver high-impact international trade programs that empower its members to expand into new markets, drive revenue growth, and build lasting global partnerships.

Our model strengthens your chamber's reach, relevance, and revenue — while requiring minimal time or resources from your team.

It's global growth — built for local results.

### Showcase your chamber. Enter the global stage.

We deliver customizable programming designed to elevate and educate your members. Our offerings include:

- Export Readiness Workshops
- Inbound & Outbound Trade Missions
- One-on-One Global Advising
- Customized Industry Guidance
- AI-Powered Outreach Support

### Elevate your chamber.

Our partnership provides:

- Tangible business wins for stakeholders
- Revenue sharing opportunities
- Measurable economic development outcomes
- Co-branded programming and marketing
- Scalable services without added staffing
