

GLOBAL CONNECTIONS

Connecting Regions. Creating Opportunities.

ABOUT US

Empowering Regions. Expanding Business. Helping Economic Development Organizations to Grow.

Global Connections partners with economic development organizations to turn global opportunity into local economic success.

We provide high-impact trade programs that empower local businesses to enter new markets, build global partnerships, and grow sustainably.

Our model strengthens your region's global profile, supports organizational goals, and requires minimal resources from your team.

It's global growth — built for local results.

Showcase your region. Attract international investment.

We deliver customizable programming designed to help attract international investment to your region. Our offerings include:

- Export Readiness Workshops
- Inbound & Outbound Trade Missions
- One-on-One Global Advising
- Customized Industry Guidance
- AI-Powered Outreach Support

Elevate your region.

Our partnership provides:

- Tangible business wins for stakeholders
- Revenue sharing opportunities
- Measurable economic development outcomes
- Co-branded programming and marketing
- Scalable services without added staffing
